## Botanist ff14 leveling guide

Luck of the Pioneer 1 55 200 Uncovers a gathering node's hidden items. A brand new zone awaits, chock full of materials that can't be found elsewhere. Gaining experience in this manner is fairly easy. - 2.0 Logging the Hours: La Noscea V 5 Log 4,000 times from level 41-50 mature trees in La Noscea. The Risensung Botanist 5.41 I Found That: Botanist VII 10 Harvest and record discovery of 340 unique items that can only be gathered as a botanist. Pioneer's Gift II 50 100 Increases the chance of triggering Gatherer's Boon by 30%. If you're also leveling a crafting class, check to see if you can use them in your recipes. Bountiful Harvest 24 100 Increases the number of items obtained on your next gathering attempt by one. Does not apply to items at 0%.Effect can be stacked with Pioneer's Gift I. See also: List of Botanist Primary Tools See also: List of Botanist Secondary Tools Botanists utilize hatchets as their primary tool and garden scythes as their secondary tool. You can find them in any major settlement, but since you'll be in Gridania often anyway, there's no harm in sticking to the ones you'll find at the Carline Canopy. The doldrums of the mid-range are behind you, and thanks to Stormblood and especially Shadowbringers, there are more ways than ever to hike up those levels. What Should I Be Wearing? Tree Whisperer III BTN 21 Allows you to better identify the characteristics of a mature tree or patch of lush vegetation, improving yield when conditions are met. Meticulous Woodsman 1 50 0 Increases collectability of an item. Featherfall's Finest Botanist 5.31 An Ode to Botany 10 As a botanist, submit 50,000 expert recipe materials for the fourth phase of the Ishgardian restoration. Enhanced GP Regeneration BTN 1 70 Raises base GP regeneration rate by one. (You can find those in Kugane, Crystarium, and several other locales.) What these do, and it's really quite marvelous, is they boost your experience gain for all gathering classes by 150 percent up until the tip of their individualized level range. We're Final Fantasy 14's most naturally gifted class, Botanists. - 2.0 I Found That: Botanist I 5 Harvest and record discovery of 25 unique items that can only be gathered as a botanist. Collectables: You will be able to get those from timed nodes and as one item at max collectability can give you more than a million experience, using this method is really quick if you're timing's good Gathering market board items: The easiest way to that is to use the buff mentioned before and check what material is used during crafting collectables. Forestreaper 2.0 A Botanist's Life for Me: Greater Eorzea 30 Obtain the "A Botanist's Life for Me" achievements for La Noscea, the Black Shroud, and Thanalan. Enhanced Twelve's Bounty III MIN BTN 71 Increases the base yield of the Twelve's Bounty by one. When gathering collectables, restores 1 integrity.Can only be executed while under the effect of Eureka Moment. (On the flip side, you should be well past level ten by then.) Head to the Botanist's Guild in Gridania when you're ready. - 6.0 I Found That: Botanist VIII 10 Harvest and record discovery of 380 unique items that can only be gathered as a botanist. Resplendent Fieldfiend's Hatchet 5.5 An Eye for Quantity: Botanist I 5 Gather 300 items with the Gatherer's Boon effect as a botanist. Tree Whisperer V BTN 1 53 Allows you to better identify the characteristics of a mature tree or patch of lush vegetation, further improving chances of enhanced gathering when conditions are met. General Information Guild Any player who has completed the level 10 quest of their starting class is eligible to become a Botanist. Botanists also endeavor to educate others about the need to maintain a symbiotic relationship with Eorzea's plants, rather than carelessly stripping them of their useful parts. Starting out, it's a good idea to focus on these level one through 20 guild quests, but they won't quite be enough on their own to get you racing through the ranks. Pioneer's Gift I 15 50 Increases the chance of triggering Gatherer's Boon by 10%. Bountiful Harvest II 1 68 0 Increases the number of items obtained on your next gathering attempt by one, two, or three. - 6.0 An Eye for Quantity: Botanist III 10 Gather 10,000 items with the Gatherer's Boon effect as a botanist. There are two approaches. From 21-40, there's a visible degree of slowdown in the leveling process. The Botanists' Guild is located in Gridania. As you advance, you'll find there's more profit to be made by the forties and fifties. Enhanced Ageless Words BTN 90 Adds to Ageless Words a 50% chance that you will be granted Eureka Moment. The Firmament By now, those of you who are following the main scenario quests at approximately the same level (and, obviously, those of you who are done with all that already) should be able to unlock the Firmament. Scour 1 50 0 Increases collectability of an item. The new expansion for Final Fantasy XIV has brought many changes to the game and while you enjoy the story leveling your gatherers and crafter can be very useful too. Auto Sneak MIN BTN F5H 27 Automatically activates Sneak upon changing your class to miner/botanist/fisher. Put plainly, you just need to get your starting class to that point. Blessed Harvest II 40 500 Increases the number of items obtained when gathering by two. - 3.0 Reaping Heavensward 10 Gather 5,000 times from level 51-60 mature trees or lush vegetation. Owing to their intimacy with nature, botanists are known to revere Nophica, the goddess of abundance. Traits Main Article: Botanist Traits Trait Acquired Level Effect. Auto Triangulate BTN 2 Automatically activates Triangulate upon changing your class to botanist. Sit back, enjoy the romantic comedy (or don't), and just bear in mind that a few of the missions Hinagashi sends you on will require that you progress further into the main scenario so that you can unlock the third, fourth, and fifth Endwalker zones. - 2.0 Logging the Hours: La Noscea 15 Log 20 times from level 1-10 mature trees in La Noscea. Blessed Fieldking's Hatchet 4.5 Reaping Shadowbringers 10 Gather 5,000 times from level 71-80 mature trees or lush vegetation. Collect 1 50 0 Gathers a collectable item with its current collectability rating.Reduces integrity by 1. You can do a few if you'd like to get the hang of them, but they're not going to get you to 20 faster than simply spending some time out in the Black Shroud plucking our recommended items. Arbor Call 3 0 Surveys the landscape to locate the nearest mature tree or lush vegetation within skill range. - 2.0 Logging the Hours: La Noscea II 5 Log 300 times from level 11-20 mature trees in La Noscea. Ageless Words 25 300 Grants another gathering attempt.Additional Effect: 50% chance to grant Eureka Moment. Blessed Harvest 30 400 Increases the number of items obtained when gathering by one. Collector's Focus 1 85 100 Increases the chance to trigger Collector's Intuition by 75% on your next collectable action. Nymea's Ward BTN MIN 42 Occasionally increases yield for certain items, including crystals. - 2.0 Logging the Hours: Black Shroud III 5 Log 1,000 times from level 21-30 mature trees in the Black Shroud. You'll find them at the Studium in Old Sharlayan. Gatherer Role Main Article: Gatherer Role Action Level GP Description Triangulate 1 0 Surveys the landscape to locate mature trees and lush vegetation. Master Botanist 6.0 Reaping the End 10 Gather 5,000 times from level 81-90 mature trees or lush vegetation. Of the Keen Hatchet 6.5 Reaping Dawntrail 10 Gather 5,000 times from level 91-100 mature trees or lush vegetation. Bountiful Harvest Mastery BTN 1 68 Upgrades Bountiful Harvest to Bountiful Harvest II. It's a push to the next job quest, a grind to the next best gear set. Increase is 75% of the effectiveness of Scour.Reduces integrity by 1. Sneak 8 0 Tread quietly, enabling you to avoid enemies up to four levels above your own. This includes harvesting vegetables and grains, tending fruit-bearing trees, cultivating fibrous plants, logging timber, and more. Collector's High Standard BTN 1 100 Occasionally upgrades the effect of Collector's Standard to Collector's High Standard, guaranteeing Brazen Woodsman increases collectability with maximum effectiveness.Chance Meticulous Woodsman does not affect integrity is increased by 40%. We've included some great gathering suggestions for each range, so head out to the Central Shroud for this batch, and you'll get to 20 in a mere handful of hours. There are many gear options available to Gatherers. Next:Final Fantasy 14: Beginner's Guide To Gathering From Final Fantasy XIV Online Wiki Jump to navigation Jump to search Introduction “ The botanist's profession encompasses the procurement of resources from all forms of plant life. When gathering, raises base regeneration rate by one. One thing we should emphasize: Company-issued Survival Manuals. - 5.25 Botanists of a Feather 10 As a botanist, submit 50,000 expert recipe materials for the third phase of the Ishgardian restoration. — Official Site Botanists (BTN) are Disciples of the Land that harvest resources from flora throughout Eorzea. First, you must first reach level ten in either a Disciple of War or Disciple of Magic class. "Tree-huggers," they might say, but we're proud of it. Blessed Fieldkeep's Hatchet 3.5 Reaping Stormblood 10 Gather 5,000 times from level 61-70 mature trees or lush vegetation. Stick with these if you're feeling thrifty. One with the Forest BTN 60 Automatically activates Truth of Forests upon changing your class to botanist. In your case, you'll be searching for a mythical dinosaur — not exactly what most of them tend to think when you've seen higher-level players break through trees like nobody's business? Gathering Log Main Article: Botanist Gathering Nodes Main Article: Botanist Node Locations Achievements Main article: Botanist Achievements Name Points Task Quest Name Quest Level Gathered Item(s) You Say Popoto, I Say... - 6.0 An Eye for Quantity: Botanist IV 10 Gather 20,000 items with the Gatherer's Boon effect as a botanist. Unless we've forgotten to update this to reflect the follow-up expansion to Endwalker further down the road, in which case it isn't. That will automatically be the case should you choose the Lancer, Archer, or Conjurer job; if your job places you in Ul'dah or Limsa Lominsa instead, it will be several hours before you can make the trip to Gridania, here's how to complete it and get your loot. - 5.25 Skyward Scythe II 5 Earn 150,000 points toward your skyward score as a botanist. 63 20x Wild Popoto The Fringes (X: 11, Y: 25) Walking for Walker's 65 20x Walker's Popoto The White Death 68 20x Nanoriso Ruby Sea (X: 13.5, Y: 16) Edgth's Winning Streak 70 5x Rhalgh's Streak The Lochs (X: 5.7, Y: 8.7) Recommended Gear Set Vendor Name/Location Viability Range Serpentskin Gathering Set Gyosho The Azim Steppe (X: 5.8, Y: 23.5) 60-65 Kudzu Set of Gathering Gyosho The Azim Steppe (X: 5.8, Y: 23.5) 48-53 Landking's Set Rowena's Representatives 70-80 The Crystarium After level 70, your Botanist quests will be handled at the Crystarium. Two other ways to get some more experience can also be used in addition of the others but will not be enough to go from 80 to 90 alone: Sharlayan quests: Just like in Crystarium you'll be able to turn in specific collectables related to a story and get some experience Daily Grand Company delivery: A very good way to get a few millions exp everyday that you can check in your timers menu. The materials they collect are used by various crafting classes, including Carpenters, Weavers, Culinarians, and Alchemists. Honestly, not really. Tree Whisperer BTN 11 Allows you to better identify the characteristics of a mature tree or patch of lush vegetation, improving gathering rate when conditions are met. - 2.0 Logging the Hours: La Noscea III 5 Log 1,000 times from level 21-30 mature trees in La Noscea.
